*November 21st, 2019 - It is intended to be used with
Martin Wavefront Series loudspeakers such as the W8 W8C
and also the W8 line array enclosures in the most
demanding touring situations where extreme levels of bass
are required It is also ideal for reproducing the
concentrated bass energy of contemporary dance music in
club environments'*

' ~~**Crossover for martin blackline speakers Blue Room**~~

~~December 10th, 2019 — We drive it with Martin Audio amps
Powersoft and a Martin Blackline M3 processor The
processor is around £300 at retail Will the M3 work with
these as this configuration is not mentioned in the M3
manual Sometimes I use the passive crossovers on our W8C
and I can't hear any difference in quality between the~~

November 20th, 2019 - Thankfully a helpful person from Martin replied to my email and sent me a spreadsheet which contained all the information I needed and no this spreadsheet isnt part of the manual and no I didn t find it when I carried out numerous google searches before posting on both here and emailing Martin Cheers for the help though'

EAW KF650 VS Martin Audio W8C

November 21st, 2019 - The EAW is a far more power hungry box and I believe every driver in the W8C is hornloaded which should result in extended pattern control on the lower end of the Martin I ve had pleasurable experience with the W8C I would imagine they are a good deal more expensive than KF650Z s'
