'**the human condition**

June 2nd, 2020 - the human condition was first published in 1958 a second edition with an introduction by margaret canovan was issued in

1998 the work consists of a prologue and six parts structure i the human condition arendt introduces the term vita activa active life by

distinguishing it from vita contemplativa contemplative life ancient philosophers insisted upon the superiority of the vita contemplativa

for which the vita activa merely provided necessities ' '
