considers its literary roots'

~~may 31st, 2020 - the radical novelty debussy brought to opera and why pelléas et mélisande became the first truly modern opera is that he used the
play as it was only making some judicious cuts having the original prose text declaimed over an ever moving orchestration staying close to the rhythms
of natural speech in french this was something radically new so far professional librettists had'~~ **'pelléas and mélisande by claude
