kansas city jazz

April 27th, 2020 - kansas city jazz is a style of jazz that developed in kansas city missouri during the 1920s and 1930s which marked the transition from the structured big band style to the musical improvisation style of bebop the hard swinging bluesy transition style is bracketed by count basie who in 1929 signed with the bennie moten s kansas city orchestra and kansas city native charlie parker who ushered
