'seán hewitt i would give all my poems to have my father back

May 26th, 2020 - the body is the receptor the locus of all of the poems here because they are quite necessarily all focused through my body and so in tongues of fire the natural world is also a queer world'

,shirley cuypers if my body could speak review

May 17th, 2020 - if my body could speak was such a beautiful and

honest collection i could relate to so many poems and a lot of them

had a big impact on me for example i ve never had an eating disorder

but i often struggle d with food and some of these poems were really

relatable and i could really get what blythe baird was talking about,
