' sparknotes the iliad pope s preface to the iliad of homer

May 17th, 2020 - it is a great secret in writing to know when to be plain and when poetical and figurative and it is what homer will teach us if we will but follow modestly in his footsteps where his diction is bold and lofty let us raise ours as high as we can but where his is plain and humble we ought not

to be deterred from imitating him by the fear of incurring the censure of a mere english critic
