1920s women fashion outbreak that happened almost 100

june 7th, 2020 - so happy in fact that their collective euphoria ultimately influenced the fashion of the time the era came to be defined by the emergence of vintage fashion and as you can see from these pictures it still looks awesome over 90 years later before the 1920s fashion in western europe was still somewhat rigid and impractical'

fashion for women was all about
getting loose which applied to morals
too women wore dresses all day every
day rain or shine most dresses had a
drop waist with a belt or sash around
the hip and a skirt that hung down
anywhere from the ankle on up to
but never above the knee daywear
had sleeves long to mid bicep and a
